

# The Connecticut Housing Coalition

# Benefits of Membership

## Top Benefits of Joining the Connecticut Housing Coalition:

- **Advocacy** for your issues at the State and Federal levels.
- **Access** to timely and relevant information that supports your work.
- **Information** about where to put your time and energy.
- **Opportunities** to increase your technical skills at top-flight workshops.
- **Discounted registration** pricing for many of our (and our partners') events.
- **Advice** on funding, community support, how to build organizational capacity and examples of housing "best practices."
- **Networking opportunities** with like-minded people at our annual Housing Conference and Membership meeting.
- **Increased organizational strength and power** through a Network of 250 other members.
- **A Chance** to be heard and have a seat at the table on a wide range of housing issues.
- **All of your Professional Friends and Colleagues are Members**—if you're not here, you will be conspicuous by your absence!

## WORKING TO EXPAND HOUSING OPPORTUNITY AND INCREASE THE QUANTITY AND QUALITY OF AFFORDABLE HOUSING IN CONNECTICUT.

**POLICY AND ADVOCACY:** The Coalition seeks to ensure that the shaping of public policy benefits from the experiences and perspectives of those working to solve our housing problems on a daily basis.

**INFORMATION AND NETWORKING SERVICES:** The Coalition is the forum through which housing organizations and leaders make connections, exchange information, provide mutual support, share best practices and build capacity.

**COMMUNITY DEVELOPERS NETWORK:** Promotes the work of nonprofit housing development organizations and their partners.

**EMERGING LEADERS NETWORK:** Engaging, cultivating and learning from the next generation of affordable housing leaders.

**TRAINING AND TECHNICAL ASSISTANCE:** Top-notch training and The Affordable Housing Academy provide in-depth technical support to housing developers.

**CONFERENCES AND EVENTS:** The annual conference, membership meetings and special workshops provide educational opportunities for members and the public.
