

The Connecticut Housing Coalition

Benefits of Membership

Top Benefits of Joining the Connecticut Housing Coalition:

- **Assistance in Advocating** for your issues at the State and Federal levels.
- **Access to Information** that is timely and relevant.
- **Information** about where to put your time and energy.
- **Opportunities** to increase your technical skills at top-flight workshops.
- **Discounted registration** pricing for many of our (and our partners') events.
- **Full access to GrantStation** at \$75 per year (Retail price \$699)
- **Advice** on funding, community support, how to build organizational capacity and examples of housing "best practices."
- **Networking opportunities** with like-minded people at our annual Housing Conference and Membership meeting.
- **Increased organizational strength and power** through a Network of 250 other members.
- **A Chance** to be heard and have a seat at the table on a wide range of housing issues.
- **All of your Professional Friends and Competitors are Members**—if you're not here, you will be conspicuous by your absence!

WORKING TO EXPAND HOUSING OPPORTUNITY AND INCREASE THE QUANTITY AND QUALITY OF AFFORDABLE HOUSING IN CONNECTICUT.

POLICY AND ADVOCACY: The Coalition seeks to ensure that the shaping of public policy benefits from the experiences and perspectives of those working to solve our housing problems on a daily basis.

INFORMATION AND NETWORKING SERVICES: The Coalition is the forum through which housing organizations and leaders make connections, exchange information, provide mutual support, share best practices and build capacity.

COMMUNITY DEVELOPERS NETWORK: Promotes the work of nonprofit housing development organizations and their partners.

PUBLICLY-ASSISTED HOUSING RESIDENT NETWORK : Public housing leaders join together in the Publicly-Assisted Housing Resident Network (PHRN), an independent, self-governed organization for which the Coalition provides staffing and support services.

CONFERENCES AND EVENTS: The Coalition's conference, membership meetings and special workshops provide educational opportunities for members and the public.

EMERGING LEADERS NETWORK: An affinity group of the Coalition that is working to shape the future of housing and community development in Connecticut by engaging, cultivating and learning from the next generation of leaders.
